Good morning -

Today, the Mayor unveils his commitment to achieving energy independence while continuing his barnstorm around Iowa. He will tour Hawkeye Renewables in Fairbank, meet with employees at Clipper Windpower in Cedar Rapids and conclude the day with a town hall meeting in Davenport. The AP previews his Commitment here: <http://www.newsday.com/news/local/wire/newyork/ny-bc-ny--giuliani-iowa0719jul19,0,5478837.story?coll=ny-region-apnewyork>

Former Deputy Mayors Joe Lhota and Robert Harding also have an op-ed in the New York Sun detailing Rudy's record of trimming wasteful spending and imposing fiscal restraint while Mayor of New York City. Check it out: <http://www.nysun.com/article/58715>

And as everyone may already know, Rudy Giuliani is the most experienced candidate in the field...

...when it comes to parades.

The Sioux City Journal writes on the Mayor's surprise participation in the River-Cade Parade: [http://www.siouxcityjournal.com/articles/2007/07/19/news/latest\\_news/51d902a95308ad0e8625731d000f0825.txt](http://www.siouxcityjournal.com/articles/2007/07/19/news/latest_news/51d902a95308ad0e8625731d000f0825.txt)
