

withdraw without any commitment by Arab nations to control the terrorists dedicated to Israel's destruction. And we are pressuring Israel to negotiate with Arafat in spite of his complicity in promoting terror. Both of these outcomes violate your well-articulated anti-terror doctrine.

Mr. President, under your leadership the civilized world is making great progress in the global war against terrorism. Israel is finally making progress on the Middle Eastern front in this war.

Israel is America's reliable - and valuable - ally. We urge you to continue to provide Israel the support it deserves.

Sincerely,
